

Generation 1,5

Support for teenage immigrants (12-18 years old) experiencing crisis in the new environment.

Looking for help for your child because...

- ...feels isolated, has problems in the school community or with teachers?
- ...does not want to learn Czech, does not want to go to school?
- ...closes her/himself and does not communicate?
- ...misses her/his place of origin and cannot get used to the Czech Republic?
- ...family relations have worsened markedly since migration?

The Generation 1,5 Project offers FREE of charge:

- Individual consultations with psychologist (up to 6 consultations) for the teenager.
- Support from a social worker for the whole family.
