

Are you a foreigner and your children attend Czech school?

Do you know what can be provided by school for your children in order to improve their Czech?

Do you want more information about your school and the school system in the Czech Republic?

Do you need help with communication with teachers and with school?

COUNSELLING SERVICES FOR PARENTS

OUR OFFER FOR IMMIGRANT CHILDREN'S FAMILIES (FREE OF CHARGE):

- Help with communication with schools
- Explanation of information and rules regarding school attendance
- Information about possibilities of help from school for immigrant children – language courses, assistance, tutoring, or if needed providing of alternative services
- At selected schools, family course of Czech for children and their parents with focus on Czech school system
- Help in other situations that are connected to school attendance

Podpořeno grantem z Islandu, Lichtenštejnska a Norska v rámci EHP fondů.

Centre for Integration of Foreigners implements the project **GET INVOLVED!** Support of immigrants in equal access to education since August 2014. The goal is to facilitate integration of immigrant children into school and improve cooperation between schools and parents.
