

Is your child attending Czech school?
Does he/she need to improve his/her Czech?
Would you like to help him/her,
but you don't speak Czech yourself?

**Register yourself and your child to
FAMILY COURSE OF
CZECH FOR PARENTS AND
CHILDREN – PREPARATION
FOR CZECH SCHOOL**

INFORMATION ABOUT THE COURSE:

- Focus on Czech school and on fast integration of immigrant children to schooling.
- Training of communication at school.
- Practical vocabulary, grammar and conversation.
- Important information about school and the school system in the Czech Republic.
- Children and parents study in separated groups according to their needs.
- During the course, there is baby-sitting provided for pre-school kids.
- The classes are led by experienced teachers of Czech for foreigners.

Podpořeno grantem z Islandu, Lichtenštejska a Norska v rámci EHP fondů.

Centre for Integration of Foreigners implements the project **GET INVOLVED!** Support of immigrants in equal access to education since August 2014. The goal is to facilitate integration of immigrant children into school and improve cooperation between schools and parents.

ZAPOJ SE!
